

Arc Light Productions ~ www.arclightpro.com

Membership Program

To Whom It May Concern:

Arc Light Productions is back for our second season! Founded in 2007 by Jeff Driscoll and Rachel Waters, Arc Light Productions operates in conjunction with the Illini Bluffs School District in Glasford, Illinois to bring community theatre to Glasford and all of the surrounding communities in Central, Illinois. We had a successful run presenting our 2007 show, "Robin Hood." Our 2008 season includes our main production of "Get Smart" as adapted by Christopher Sergel and based on the series originally created by Mel Brooks and Buck Henry, running from July 17-19, and "A Night at the Improv" sketch comedy show presented on June 6.

As a developing production company, Arc Light Productions is again pushing forward with our Membership Program. Those individuals or businesses that support Arc Light Productions will have their names presented in the program as public recognition of their contribution and support of the arts. We have the following levels of support available in our Membership Program:

Box Office (up to \$19)

House (\$20-\$49)

Back Stage (\$50-99) (including 1 free ticket for our production)

Center Stage (\$100 and up) (including 2 free tickets for our production)

If you are interested, please return the lower half of this form to us with your membership purchase. Please direct questions to Jeff, 309-231-9270, or Rachel, 309-369-3880. We thank you for your support of Arc Light Productions and the Arts!
